HOW TO RECEIVE EMAILS STRAIGHT TO YOUR INBOX

Are you a Gmail Account user?

Are you not receiving our Gomelo communication, awesome specials, or any other website-related emails in your Gmail Inbox? Sad, but true, the emails might be going directly to your spam / junk folder, and if not selected as "Looks safe" / Added to your address book / Safe sender list, it is going to keep happening.

We do not want you to miss out on great deals and the opportunity to book AMAZING holidays at AFFORDABLE prices!

Our guide will help ensure that you know how to add us as safe and avoid feeling left out!

If you are a new holiday enthusiast joining Gomelo, please remember to first register at www.gomelo.co.za/register

Step 3

If you have a Gmail Account, we need you to help us, help you, receive our communication. Firstly, our emails end in your spam folder.

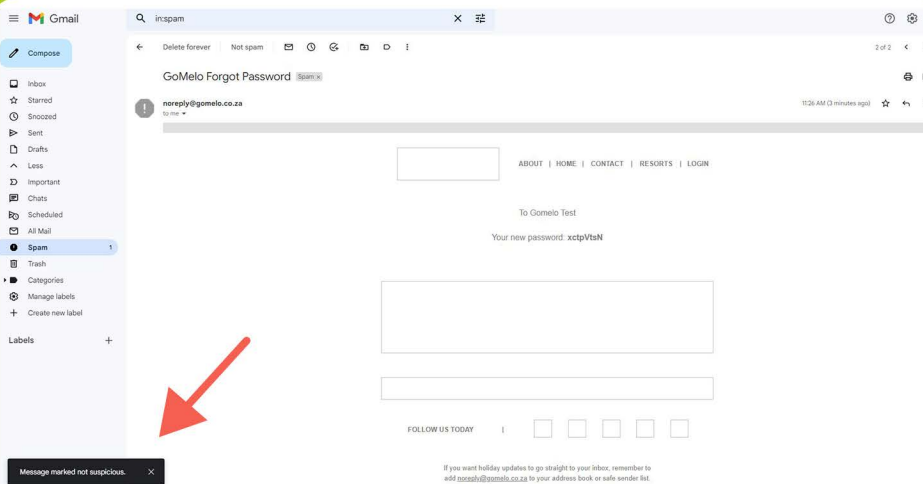

Step 4

Open the Gomelo email in your spam folder. It will show a notification saying: "This message seems dangerous". Click on the "Looks safe" button.

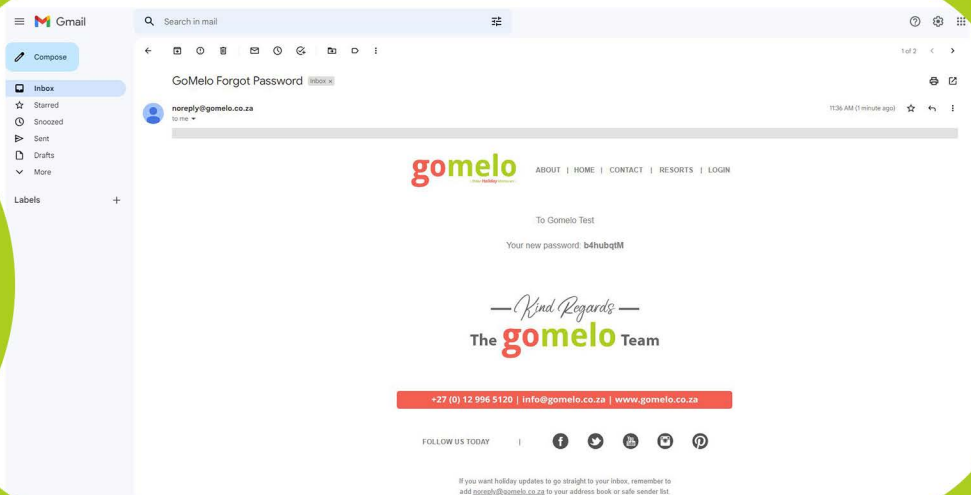

Step 5

Once you've clicked on the "Looks safe" button, it will have a pop-up in the bottom left corner: "Message marked not suspicious."

Step 6

The next time you request or receive a Gomelo email, it should go directly to your inbox and not your spam folder.

If you have any questions or need any assistance, you are welcome to contact us in order for one of our friendly consultants to assist you:
